Type of weapons which used against Hasahisa IDPs camp

On 31.10.2023 RSF took over the SAF Headquarters in Zalingei, and start looting and burning IDPs houses, there are an uncountable number of massive killings and raping women, in addition to RSF not allow to People leave the Camps, this rejection is an indicator of the genocide of IDPs People, as was the case in 2003.

Hasahisa IDPs recently displaced to the city Gathering Point and part of them to the Hamidiya IDPs camp and the Khamsa Daqaqe IDPs camp.

Humanitarian Situation:

Since Hasahisa sieged by RSF and restricted civilian movement, Hasahisa become Inaccessible to people outside Hasahisa to enter or exit. This siege has increased the tragedy of civilians accessing the main service and importing goods outside Hasahisa and other markets around Zalingei. Civilians are running out of food, water and the lack of access to health services.

No intervention has been made by any organizations because of accessibility and the siege made by RSF along all directions taken to Hasahisa.

Local markets in side Hasahisa are running out of items and most of the necessary items are unavailable in the small markets with high increases, recently RSF Looted and burned what was left.

Call for Urgent Intervention:

Dear Humanitarian Agencies, Hasahisa IDPs camp People lives in Zalingei are at the highest risk your support and Assistance are needed urgently, let us make minimum efforts to intervene because Human lives are a top priority.
